

## **Registration Terms and Conditions**

### **For WiMAX Forum training**

There is no handling charge for credit card payments. Wire Transfers require the registering student to pay their wire transfer fee plus the full tuition for the course.

All training payments are fully refundable up to 15 days in advance of the class date. Because we will be liable for catering and space charges with late cancellations, you may cancel for a 50% penalty between 10 and 14 days before the class date.

Cancellation 9 or fewer days before the class start date, and failure to attend without notice (no-show), does not qualify for a refund. However, you may send a substitute student at no additional charge.

All classes are subject to re-scheduling, based on the minimum attendance threshold being reached. Please do not buy non-refundable air tickets for this class until we forward you the course details, about 21 days prior to the class.

Cavell Group reserves the right to change pricing for training programs at any time. In the event of a pricing change, any registrations received and paid in full prior to the date of the pricing change will be honored as full payment.

All materials received at the course are copyrighted by DoceoTech. The student has no right to reproduce the training materials.

Unless the student requests otherwise in writing to Cavell Group, Cavell Group may mention or use the student's company name only as a listed class participant on advertisements, brochures, sales slides, website or other marketing materials.

If you have any questions about your registration, please contact us at +31 (0)207 716 644, or email [training@cavellgroup.com](mailto:training@cavellgroup.com)
